

No Limits Picture Day Schedule 2009

Dear Parents and Students,

- **Picture Day:** In this letter, you will find your schedule for individual and class pictures. **We will have picture days on Saturday, May 16th (Oakleaf) and Sunday, May 17th (Ortega).**
- ***Please do not be late*** as we are trying to follow our schedule as closely as possible.
- **Costumes will be picked up on the day of pictures. However, only students whose accounts are current can take their costumes home.** Be sure to bring the correct color and type of tights, and correct color and type of dance shoes. Students can wear their class tights if they are the right color and if they do not have holes. Remember, each student will need new tights for recital day so be sure to order early. Before you leave the studio, make sure your child has all parts of their costume (s) with them including their tights and shoes. Be sure to tuck in ballet shoe strings for pictures and recital day. Also, write your child's name in their shoes, tights and costumes. The time listed is the time that we are taking the picture, so please be ready by that time.
NOTE: Some costumes have not arrived but hopefully will arrive just in time for pictures. In the event they do not arrive in time, then we will make arrangements for the photographer to come during their class time to take their pictures. You will be notified by Friday, May 15th if your child's costume has not arrived.
- Creative Movement and Pre-School classes need to wear their hair half up and half-down. Parents can curl their hair if they want to. Level I students and up need to wear their hair according to the instructor's directions. All students need to wear makeup for picture day so they do not appear washed out in the picture. Have hair and make-up done at home. We can assist you with touch up makeup when you arrive at the studio if needed. Rhinestone earrings may be worn but no dangling earrings allowed. Remove all fingernail polish from hands and feet for picture and recital day.
- We realize that some picture times are close together or may be back-to-back. Don't worry, we will wait for the students to change - **quickly** - in the designated dressing rooms. Again, we are following a tight schedule, so be dressed and ready for your first picture **BEFORE** the designated time.
- Mike Erdelyi will be our photographer and his prices are very affordable. He will post proofs online after the photos have been taken. You will be able to choose which pictures you want to purchase.
- In order to keep on schedule, we ask parents remain in the lobby while pictures are being taken. Once class pictures are completed, your child will be sent to you to get ready for the individual pictures. Parents will not be allowed to be in the room where pictures are being taken. We ask that you do not bring brothers, sisters or other relatives or friends unless absolutely necessary. Space is limited, especially at Oakleaf.
- No other cameras will be allowed. This interferes with the photographer's equipment.
- **Please make every effort to have your child at the studio for group pictures. This picture will be in the program with all their names.**

Reminders:

- **Program Ads:** Please be sure to turn in your ad form with a picture ready ad and money on or before May 20th. **This year our program will be more like a yearbook and there will be a cost of \$5 at the door.** Group pictures will be in the program along with the name of each student in that class, studio information, company updates, ads from parents and businesses, an autograph page, etc.
- **Recital Tickets:** Each family receives 4 complimentary tickets. Additional tickets are \$10 each and children 3 and under are free. These tickets must be purchased in advance at the studio.
- **Extra Class Rehearsal** for **Oakleaf** students is scheduled for **Saturday, June 6, 2009**. This will not interfere with the morning classes. Rehearsal will be in the afternoon. Exact time for your child's rehearsal will be sent home soon. Please keep this date available for this rehearsal.
- **Registration for 2009 - 2010 and Summer Camps:** Be sure to register now for summer camps and for the new 2009 - 2010 season. **Early Bird Registration is now over and registration fee for the 2009 - 2010 season is now \$140.**
