Welcome to the 2010-2011 School Year

We have an exciting school year planned for you. This booklet is filled with information you should know covering the entire school year. If you have any questions or concerns, please speak to someone in the office at your earliest convenience. We are here to serve you!

We request that you keep all communications for the school year as you receive them from our office. You will be receiving information about your participation in our annual recital in April/May 2011. We welcome your comments and suggestions regarding any of our policies or procedures at any time.

We ask that you have your child at the studio with adequate time to prepare for class, parking, changing, restroom, etc. Please make sure when dropping off your child that he or she enter the building. Parents, for your children's safety, please be available in the waiting room to receive students when dismissed from class. The faculty and/or staff are not available to babysit students left in the lobby. It is our rule that no child will wait outside to be picked up. Please call whenever delayed for class start time or pickup.

Please note that the waiting rooms are made available for the convenience of our students and their families. The waiting rooms are for waiting, reading, snacking, conversation, video viewing, homework, and children quietly playing with toys or games brought from home. We ask that you please respect the activities of others and the classes in session. If you use our books and magazines, we would appreciate it if you would return them to the shelves. Your courtesy will be greatly appreciated.

We welcome your comments and suggestions. If any parent/student wishes a private conference concerning your individual dance goals or financial concerns, please do not hesitate to ask. We are happy to work with you to ensure that your school year will be one of pleasure and growth. The entire faculty and staff wish you a fantastic year of dance! ***Happy Dancing!***
