

No Limits Dance Studio

Studio Policies

Please note the following guidelines regarding all classes:

1. We request that students carefully observe our dress code outlined in this booklet.
2. Any student arriving more than 15 minutes late will not be admitted to class. For your safety and to receive full benefit from your class, please arrange for a make-up class if you expect to be very late.
3. No gum, food or drinks allowed in the dance rooms. Students should not wear bracelets, necklaces or dangling/hoop earrings to class.
4. All students are encouraged not to leave the room once class has begun. Please allow for appropriate restroom use prior to class. Very young children will be treated sensitively as the need arises. Preschool children may need a parent's attention from time to time for various reasons including bathroom or behavior issues. Please do not leave the waiting room when very young children are in class without informing the office or having another parent responsible during your absence. We make every effort to have all children feel safe and cared for in a loving and inspiring learning environment.
5. The well-being of our students and their families is of utmost concern to us. **If you leave your children unattended inside the lobby of NLDS, or outside the building, please note they will not have adult supervision from the Teachers/Staff of NLDS.** Please remember that our instructors and office staff cannot be responsible for your child before or after their class. Your child's instructor has another class starting immediately or is eager to get home to her family. Thank you for your consideration for both your child and our instructors.
6. Students are not allowed to wait outside...at any age. Students must wear proper cover ups when arriving and leaving the studio. No bathing suits to be worn to the studio during the summer months. No dance shoes are to be worn outside the studio.
7. School age children and teens: *please practice respect.* Students are not to be socializing in a disruptive manner during the class with other students. Please come early or stay late to enjoy friends in the waiting area. Please honor your teacher and fellow students by giving full attention and co-operation. You will be advised if we feel any student is not well adjusted to the classroom environment for any reason over time.
8. Only students who come to class properly dressed will be allowed to participate in class. Students who fail to have the proper dance attire will be asked to sit and observe class.
9. Parents must call and notify the instructor and/or staff member if their child is to leave class early. If a student leaves the premises before classes end, the studio reserves the right to contact the parent to confirm the student had permission to leave early. If your child drives themselves to the studio we ask that you inform them of this rule as it will directly impact them if they try to leave early without the studio being notified by the parent.

Dance class is education and fun, however, an important part of class work is developing an attitude of discipline and respect for teachers and fellow students. We trust that following our classroom etiquette will provide an environment whereby classes at **No Limits Dance Studio** will be a pleasure for all concerned.
