
NO LIMITS DANCE

August 2019

Studio Policies/ Dress Code

Please be sure to familiarize yourself with our Studio Policies and Dress Code. Your knowledge of these policies make our school run much smoother.

Newsletters

We plan to send out monthly newsletters to keep you posted on things going on in the studio and what is soon to come! Be sure your email is current to ensure you receive all this information. For the most part, we are a paperless studio!

Facebook/ Instagram

Be sure to "like" us on Facebook and Instagram as that is always another tool to keep up with what is going on at the studio! Our website is also a great tool for information regarding No Limits Dance. Visit us at www.nolimitsdance.com.

Welcome Back!

The instructors and staff at No Limits Dance are excited to welcome everyone back from the summer break. Classes start Monday, August 5th so don't forget!! *Also, don't forget that if you refer a friend and they register then you receive a \$50 credit on your account to be applied towards tuition.* We are thrilled to have many new families joining us this year, and we are excited to officially welcome Ms. Ginger Sumner to our faculty this year. We are going to have another amazing school year and can't wait to start working with the students!

Class Placement

Is determined by the instructors and is based on a student's ability and certain age restrictions. The instructors work hard to evaluate and make the proper placement so each dancer can get the most out of their class.

Class Changes

After classes start, your child may decide they don't care for their particular dance class. You have an opportunity till November, when we order costumes, to change them to another style dance. Simply speak with someone at the desk, the instructor and/or send an email and we will be happy to work with you to place your child in a class they will be happy in. If you decide to remove your child completely from dance then you must send an email to us requesting to be dropped from all dance classes. The monthly tuition will stop the following month.

It is not too late to register for classes at NLD! While there are some classes that are full there are others that are just waiting for students to register! If your child is interested in adding another class then go online and see what is available. Remember, that in order to take any of the contemporary classes you **MUST** take a ballet class concurrently. Ballet is the foundation for all forms of dance and since contemporary ties so closely together with ballet then we have determined that contemporary dancers must also take ballet. Be sure to ask us if you have any questions!
