- Ballet students (excluding Creative Movement and Pre Combo classes) must have their hair in a neat bun (with hairnet and bobby pins).
- CREATIVE MOVEMENT & PRE COMBO - Please make sure your child has gone to the restroom BEFORE class!
- Cameras will remain off during the first 6 six weeks in order for students to settle in their class(es).

Dancers Make the Best Friends

Dancers learn more than just technique in class! Endurance, trust, responsibility, discipline and respect are just a few of the things a dancer learns during their dance years.

One of the most important thing a dancer learns is how to be a good friend!

- Teamwork (Great things happen when you are part of a team.)
- Empathetic (Always happy to give a hug!)
- Love a good dance party (We just have to be invited!)
- We watch the BEST movies (High School Musical, The Greatest Showman)
- Most supportive (Getting ready for an audition or having trouble learning a new routine? We've got your back!)
- We are funny! (We like to tell jokes about how we struggle with a new dance step!)
- Dance Sleepovers - (These are the BEST!! Just get those old recital DVD's out and we are good to go!)

But most importantly, dancers learn that awesomeness comes in

RECITAL-NEW

Monday, June 22

St. Johns State College
Thrasher Horne Auditorium

Unfortunately, our Saturday date was changed by the theatre. Be sure to make this change on your personal calendar!! Please keep in mind that we completely understand that vacations must be taken. So long as a student is consistently attending their classes there is no problem with them being out for vacation with their family. Family time is special time!!
